Dear Ms. LaWall:

The events of October 1, 2017 devastated our city, our state, and shook the core of the entire nation. Fifty-eight lives were lost and hundreds of others were injured at the Route 91 Harvest Festival shooting. This senseless act of violence has left our community and the nation mourning for the victims and their families. In spite of this tragedy, countless heroes came forward and sacrificed their time and resources to help those impacted by the worst mass shooting in American history. I would like to personally thank you and the members of your staff for being some of those heroes.

When called upon for assistance you, and the Pima County Attorney's Office, came forward immediately. Pima County staff members Rosanna Cortez, John Faris, Katie Lawler, Nicole Hansen, Francisco Padilla, Gabriela Berrios, Shelly Gibbons, Michele McCullough-Cruz, Tara Davoodi Roberts, and Cindy Gamble came to Las Vegas and worked alongside my staff when we needed it most, their help was invaluable. Additionally, Babette McDonald was vital in the organization and logistics of your team.

Thank you for your selfless efforts and for offering additional resources in a moment's notice throughout the course of this important mission. It is truly an honor to work alongside such dedicated and caring professionals.

I remain deeply grateful for your support.

Sincerely,
